Dear Band Member and Parents,

WELCOME! Well, here it is again, time to start thinking about getting ready for band camp as well as the upcoming football and contest season. "How can I do this," you ask? You can start by playing your instrument. You should be able to play for AT LEAST one half hour straight without hurting yourself. Next, GET OFF THE COUCH!!! Get out and walk around your neighborhood, swim, play tennis, etc. The idea is to get your "chops" in shape as well as the rest of your body.

Once you receive your music at mini-camp (or download it from the band web site), it will be a good idea to start memorizing it. There will be music checks with the possibility of lost free time at band camp. If you do not want to lose free time, then be ready. New members should also have the school songs down, memorized if possible . . . The Fight Song, The Alma Mater, and The Star Spangled Banner. This will significantly help you out at band camp.

Enclosed, you will find all of the information that you will need for us to get started this summer. That includes: July 4th Parade, Mini-Camps, Band Camp, Post-Camp Rehearsals, prices on Band Shirts and Shoes, Uniform Accessories, the Master Schedule of Events, and many forms. You should have: 2 different Medical forms, Instrument Use Agreement, and the Music Booster Volunteer Form. Keep all these papers and show them to your parents . . . they want to know what is going on too. Fill out the forms, then pack this entire packet in your luggage and bring it to band camp.

I hope that I have covered all of the bases, but if I've missed something, please feel free to email me at ian_brun@olentangy.k12.oh.us or give me a call at the high school (740-657-4171).

July 4th Parade

The Orange Township 4th of July Parade has been cancelled for 2010. We will return to this parade in 2011.

Band Mini-Camp Activities (July 26 thru July 30)

Rookie Camp

All incoming freshmen and any new members of the OHS band program are required to attend "Rookie Camp" the week of July 26 from 8:00am to 12:00pm. This is a good way to help new band members get started on the "left" foot. During this week we will focus on basic marching and some fundamentals of marching and playing. These rehearsals are meant to be a fun way for new members to become acclimated to marching band; however you do need to wear cool comfortable clothing, white cotton socks and comfortable tennis shoes because we will be marching. Please DO NOT wear tank tops, tube tops, sports bras, sandals, flip-flops, or shoes without socks. This rule exists for your safety and will be strictly enforced. A water bottle and sun block would also be appropriate since we will be

spending part of our time outside in the sun. During this time, we will be learning the *Olentangy* marching style, playing style, and most importantly, how to combine the two.

Leadership Mini-Camp

All section leaders, field commanders, and officers should report to the band room by 8:00am. The leadership team should wear cool comfortable clothing, white socks, and tennis shoes. A water bottle and sun block would also be appropriate since we will be spending part of our time outside in the sun. We will be working with the leaders on how to lead their sections, teach drill moves, correct posture and marching errors, and generally be a positive role model. Leaders should come prepared to learn a little and teach a lot! A tennis ball is a great tool to have on hand for demonstrating various heel and toe placements, as well as a roll of masking tape for your section to mark coordinates on the field.

Percussion Mini-Camp

The Marching Percussion section faces many unique challenges on the marching field that the other sections do not have. To help overcome these challenges and bring a sense of unity to the section we will have mini-camp during the week of July 26 from 8:00am to 4:00pm. Members should wear cool comfortable clothing, white socks, and tennis shoes and be ready for a workout! A water bottle and sun block would also be appropriate since we will be spending part of our time outside in the sun. Make sure you have any additional equipment (as specified by your instructor) that you will need to learn show music, cadences, and marching techniques. Members should pack a lunch and dinner will be provided.

Colorguard Mini-Camp

As with the percussion section, the Color Guard faces many unique problems in the marching arena. To help them overcome these situations the Color Guard will have mini-camp the week of July 26 from 8:00am to 4:00pm. Members should wear cool comfortable clothing, white socks, and tennis shoes and be ready for a workout! A water bottle and sun block would also be appropriate since we will be spending part of our time outside in the sun. Make sure you have any additional equipment (as specified by your instructor) that you will need to learn show music, cadences, and marching techniques. Members should pack a lunch and dinner will be provided.

Field Commander Mini-Camp

Field Commanders will already be at OHS for leadership camp; however you will stay for FC clinics afterwards and should also pack a lunch. FC's need to bring a 1" 3 ring binder with around 100 plastic sheet protectors to hold show music and drill charts. We will break down FC responsibilities, how to help individuals and sections, how to read a musical score, proper conducting technique and basic patterns. Dinner will be provided.

Full Band Mini-Camp

All band members should report to the band room by 4:50pm in order for rehearsal to start at 5:00pm. Members should wear cool comfortable clothing, white socks, and tennis shoes (no sandals or flip-flops). A water bottle and sun block would also be appropriate since we will be spending part of our time outside in the sun. We will spend half of rehearsal distributing and rehearsing show and stand music, and the other half outside reviewing marching techniques and basic drill moves. We will also start working on pre-game at this time. All band members (Colorguard and Percussion included) need to bring a 1" 3 ring binder with around 25 plastic sheet protectors (to hold show music, coordinate sheets, and other bits of information – buy a box and share with your friends), a drill book (small spiral bound memo book) on a long shoe lace that can be tied and worn around the neck, a pencil, and a roll of masking tape for marking coordinates on the field.

Band Camp Information (August 1 thru August 6)

This year we will be returning to the Heartland Retreat Center in Marengo, Ohio. **All members** should plan to arrive at Heartland on Sunday between 2:00pm and 3:00pm to register at camp, move their

belongings into their room, and prepare for dinner. If you would like more information about the camp or their facilities please visit their website at: www.heartlandretreat.com

The cost for camp this year will be \$350.00 and must be paid in full before members will be allowed to move in to their room. You may pay the fee anytime between July 26 and August 1. **YOU WILL NEED TO HAVE THE MEDICAL FORMS FILLED OUT AND SIGNED BY YOUR PARENTS IN ORDER TO PARTICIPATE AT BAND CAMP!** Please don't forget them.

We have a great menu planned for everyone so all students are expected to eat at every meal unless there is a medical reason. This is not the time to try to lose weight, etc. If you are missed at any meal, you will have to eat the next one with Mr. Brun! A fate worse than death! If you have special dietary needs (i.e. vegetarian needs), please let us know as soon as possible so we can inform the camp kitchen.

If any parents are available to help chaperone, or wish to help out for the whole week, email Mrs. Shaw (shawc@battelle.org); even if you can only come up for one (or more) days, your help will be greatly appreciated. As in past years, parents are invited to come up on Friday, so we can "show off" what we have learned for the week. We move the show to 5:00pm to help accommodate working parents who would like to attend our performance. After the show and after members are checked-out of their dorms, you may take your student home.

Daily Activities

During our time away we will focus on marching fundamentals, music rehearsal, music memorization, and building a sense of community among the band members. In order to accomplish these tasks, I will be bringing a camp staff that is experienced in all aspects of Marching Band. Camp instructors will run sectional rehearsals, as well as help in placing drill charts and acting as a liaison between the students and directors. I expect that all instructors will be treated with the same respect and dignity that is given to any other teacher or director. Disrespect or verbal abuse of a director or instructor will not be tolerated and may result in the offending student being sent home from camp and possible removal from the instrumental music program.

During the day the students will be given free time at set times. The period of time after breakfast is when rooms should be cleaned (daily), beds made, and any other grooming should be done. When organized activities are planned, all students are expected to attend. In the afternoons, if music checks are passed, students will be allowed the use of the pool. Rules will be set by the camp and lifeguard and will be enforced. There will be snacks and drinks available for purchase during the 3:00 pm free time.

All students are expected to be on time for every rehearsal during the day. I recommend wearing a watch so that you are never late. We will start with calisthenics at 7:00 am each morning and will include basic stretching, muscle warm-up, mental exercises, and light running. If for any reason you feel that you cannot make it to a rehearsal, YOU MUST CONTACT A CHAPERONE OR DIRECTOR IMMEDIATELY!

Discipline Procedures

Band Camp is an extension of the Olentangy High School Educational System. Therefore all traditional school rules apply at camp. Infractions of any of these rules may result in one or more of the following:

1. Push-ups on the marching field
2. Run laps around the marching field
3. Loss of afternoon free time
4. Loss of third quarter privileges
5. Sending the student home
6. Removal from the instrumental music program

In my experience with band camps, these are rarely used, and I expect that this camp will be no different.

Equipment / Uniform Accessories Price List

As with any activity, there are some additional costs that are incurred during the course of the year. I have tried to list all equipment and uniform accessories that will be needed during marching season. The cost of some items may seem on the expensive side, however, with proper care they will last the entire season, and in many cases more than one year.

This year's band fee (or Pay to Play) is \$25.00 for both Concert Band and Marching Band. This fee includes all instructional costs, and most transportation costs.

I have included this breakdown of expenses so that there is no misunderstanding about what each student is expected to be financially responsible for. This is a list of EVERYTHING that a new band member would be expected to obtain with *approximate* costs. The total will be different for each individual student depending on what equipment they already own, how well used equipment has been maintained and how much was paid into their student accounts from fundraisers.

GRAND TOTAL	1400.00	1213.00	

*The cost of these items could be reduced through the fundraising activity of the band and the music boosters.

Some of these items will be available throughout the season so an immediate expense may not be necessary. The only items that will be needed by Friday the last day of band camp are the items for the summer uniform (blue shirt, khaki shorts).
