OLENTANGY HIGH SCHOOL
ATHLETIC DEPARTMENT
675 Lewis Center Road

Dear Parents:

Lewis Center, Ohio 43035

Olentangy Local Schools have adopted a policy that requires a fee for participation in extra-curricular and co-curricular activities. As you can imagine, which activities to assess and how much to assess was not an easy decision. Several factors were considered in the fees assessed, the most important were: Is there a supplemental contract paid to the coach/advisor of the activity? Number of participants? How much travel is involved in this activity? Is there academic credit/grades associated with the activity?

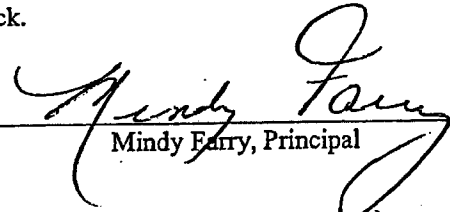

All extra-curricular participants will be assessed as follows: \$50.00 first sport, \$25.00 second sport, no charge third sport. Participants in co-curricular courses will be assessed \$20.00. There is a maximum fee of \$75.00 per building per family per year.

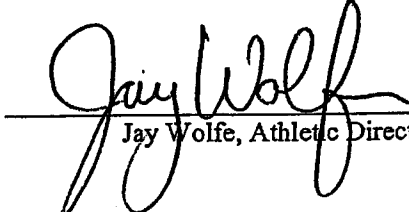

For athletics all fees are non-refundable after the first game and paying the fee does not guarantee the playing time of your child. The payment deadline is before the first scrimmage or game. The athlete will not be allowed to participate until the fee is paid. If a student loses eligibility after he/she has paid special activity fees or dues, there will be no refund from the Board of Education or from the activity fund treasury.

For co-curricular activities/courses the payment deadline is the end of the third week of school or before the first public performance, whichever comes first. Participants will not be allowed to participate in public performances/activities until the fee is paid.

As you probably know, the fees are being charged to defray only a part of the expenses of our activity programs. Fees for activity participation are to be assessed for one full year.

Athletic activity fees are to be paid by check to Olentangy Schools. Return forms and checks to individual coaches or advisors. Please indicate the name of the student and the activity/course for which the fee is being paid in the "memo" area of your check.
